

FAST ULTRA-SLIM SCANNER FOR MOBILE EXECUTIVES AND HOME USERS

Portable document scanner

The lightweight and ultra-portable P-208II scanner's footprint is barely larger than a standard ruler. So it's the perfect choice for mobile executives and home users.

10 sheet document feeder, with double-sided scanning

With its 10-sheet ADF, high speed duplex scanning this is the ideal scanner to maximise your productivity wherever work takes you.

Plug-and-scan convenience with CaptureOnTouch Lite

The P-208II is extremely simple to use - just connect with a USB cable and start scanning! CaptureOnTouch Lite software is built into the P-215II so there is no need to download additional drivers or software, it's simply plug-and-scan.

ULTRA SLIM AND LIGHTWEIGHT

No-compromise mobile scanning

The imageFORMULA P-208II provides travelling executives or office users with impressively fast double-sided colour scanning of up to 16ipm at 200dpi. Maintain productivity on the move with the integrated 10-sheet ADF, which enables easy batch scanning of multiple documents like contracts in a single operation. Weighing just 600g, and little longer or wider than a standard ruler, the P-208II is small and light enough to take anywhere.

Intuitive image processing

A rich selection of built-in image processing features help you achieve high quality results. The P-208II offers auto colour detection, text orientation recognition and text enhancement to optimise your scanned images; the full auto mode feature automatically applies the ideal settings for your documents while delivering super-fast results. A rich selection of built-in image processing features help you achieve high quality results. The P-208II offers auto colour detection, text orientation recognition and text enhancement to optimise your scanned images; the full auto mode feature automatically applies the ideal settings for your documents while delivering super-fast results.

Scan all types of document

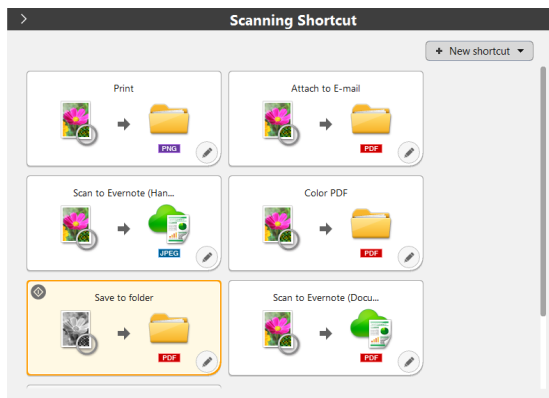

The P-208II is the perfect accessory for both home and business use because it's capable of scanning such a wide range of media. Business users can capture regular A4 sized documents like contracts or irregular-sized media like business/embossed cards when they're out of the office. Home users will also enjoy using the P-208II, because it's perfect for scanning household bills; while the picture mode feature is ideal for accurately scanning old photographs.

Plug-and-scan convenience with CaptureOnTouch Lite

By using the selectable 'auto-start' feature - just connect with a USB cable and start scanning! CaptureOnTouch Lite software is built into the P-208II so there is no need to download additional drivers or software, it's simply plug-and-scan.

POWERFUL, INTUITIVE SOFTWARE THAT ENHANCES YOUR PRODUCTIVITY

Capture OnTouch

Intuitive capture software that makes it quick and simple to achieve premium quality results. CaptureOnTouch incorporates an icon-based user interface with scanning to multiple file formats including PDF, PDF-A, TIFF, JPEG, BMP, PPTX and PNG. CaptureOnTouch can also send captured information directly to data management systems (compatible with both Windows and Mac).

Capture OnTouch Lite

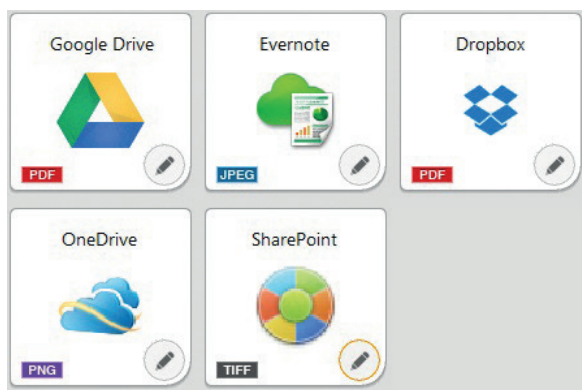

Offers unique portability and convenience on the move. The software is built into the P-208II allowing for fast and effortless connectivity without the need to install any drivers or application software (compatible with both Windows and Mac).

Cardiris

It's easy to scan the business cards that you have been collecting for ages. The software takes care of extracting and converting the important data from your business cards

Cloud service plug-ins

The CaptureOnTouch and CaptureOnTouch Lite software includes plug-ins for connecting to cloud and ECM services such as Evernote, Google Drive™, Microsoft SharePoint®, OneDrive (Windows only) and Dropbox.

TECHNICAL SPECIFICATIONS

Type	Desktop Type Sheet Fed Scanner
Document Reading Sensor	CMOS CIS 2 Line Sensor
Optical Resolution	600 dpi
Light Source	RGB LED
Reading Side	Simplex / Duplex / Skip blank page / Folio
Interface	High Speed USB 2.0
Dimensions	Tray Closed: 312.5 (W) x 56.5 (D) x 40 (H)mm Tray Opened: 312.5 (W) x 89.5 (D) x 40 (H)mm
Weight	Approx. 600g
Power Requirements	Supply from USB (500mA)
Power Consumption	Scanning: 2.5W, Sleep Mode: 1.5W, Power Turned Off: 0.5W
Operating Environment	10 - 32.5°C (50 - 90.5°F), Humidity: 25 - 80% RH
Environmental Compliance	RoHS
